**Financial aid night Jan. 6 at DHS**

Parents of seniors should mark their calendar now and plan on attending our second Financial Aid Night on Tuesday, January 6, at 7 p.m. Peg Charnick from College Misericordia will be our featured speaker and will cover the filing of the F.A.F.S.A. Financial aid form which must be filled out by any senior planning to get aid for college next fall. This form is critical and those who haven't gone through this process before should not miss this chance to receive the help you may need. Please note that this program was originally scheduled for January 7, but because of scheduling conflicts was moved to January 6. We hope to see you there!

Due to popular demand, the practice SAT is back! Sponsored by the Princeton Review, the practice SAT is a chance for students to take an SAT in a stress free environment without a worry of a poor score marring their transcript. The practice test should be taken by all students in grades 9-11 who anticipates taking the "real" SAT in their high school career. There are several other benefits to the practice test:

1. Students take the test under the exact conditions of the real test.
2. They are able to keep their test booklet to help them prepare for future SATs.
3. They will also receive a copy of the Princeton Review "Hit Parade" which is a list of words most frequently used on the SAT in order of frequency.
4. Students will receive a computer analysis of their test results highlighting the strengths and areas that need improvement.
5. A seminar held during school

hours to talk about test taking strategies and ways to improve the chance of success on the SAT.

All this for \$10.00. The test will take place on Saturday, Feb. 7, at Dallas High School at 8:00 a.m. Checks should be made payable to Dallas High School. Last year's test was a complete sellout so register early at the Guidance Office. Students from schools other than Dallas are also invited to participate by sending checks to Dallas High School Guidance Office, PO Box 2000, Dallas, PA 18612. You can call 675-5201, extension 218 for further details.
