Are you a 'weather person?'

The Dallas Post would like to publish a weekly report on the previous week's local weather; high and low daily temperatures and precipitation. But we lack the time or facilities to do it ourselves. Perhaps you do. If you are an amateur meteorologist, please contact us about how we can work together to give readers an accurate peek at the weather the way it really was. Please call Ron Bartizek at 675-5211 or stop by the office at 607 Main Rd., Dallas, just off Rt. 309 across from Offset Paperback.
