# Kristin Lipski one step closer to international win

Kristen Lipski, Shavertown, a sixth grade student at the Lake-Lehman Elementary School, has taken the first step to becoming an internationally-recognized artist by winning the local competition sponsored by the Lake Silkworth Area Lions.

Lipski's poster is among more than 300,000 entries submitted worldwide in the 10th annual Lions International Peace Poster Contest. Out of all the posters created by the Lake-Lehman Elementary School, Lipski's entry best portrayed the contest's theme, "A World in Harmony."

Lake Silkworth Area Lions Club President Rita Stefanowicz said she was impressed by the amount of effort exhibited by the Lake-Lehman Elementary School.

Lipski's poster now advances to round two, District 14-W competition in Luzerne County where her entry will compete against entries from many other local Peace Poster Contests. Lipski's

poster will face stiff competition through the district round and in three more rounds of international competition if she is to be declared the international grand prize winner.

Lions Clubs International is sponsoring the contest to emphasize the importance of world peace to young people everywhere.

Ultimately, one grand prize winner will be selected from 24 international finalists.

. The grand prize includes a cash award of \$2500, plus an all expenses paid trip for the winner and two family members to New York City for the awards ceremony at the United Nations in March. As merit award winners, the remaining 23 finalists will each receive certificates and a cash award

Locally, Lipski and the other students will be honored for their initiative, effort and artistic skills by the Lake Silkworth Area Lions
