

# DUNKIN' DONKEYS

Lake-Lehman High School hosted the annual donkey basketball game last Friday, and a rousing good time it was.

In photos, clockwise from right: Scott Kerkowsky, science teacher, struggled with his mount; Shibi Rajagopalan seemed to have things under control - it must have been his habit; Kristen VanScoy celebrated a goal while Jason Perlis looked on; Chad Kuwaye had fire in his eyes, but a laid-back-looking donkey under him.
