**S.A.T.'s to be held March 28**

The S.A.T. will be administered at the high school on Sat., March 28. Over 160 students have pre-registered for the test. Students should follow the information listed here closely:

1. Arrive by 8:10 a.m. and report to your assigned classroom. There will be a listing of these assignments posted in the lobby area near the registration desk.
2. Remember to have proper identification with you to be admitted. Acceptable I.D. includes: Driver's license with photo, school identification card with photo, a brief physical description written on school stationary signed in the presence of a school principal or counselor.
3. Please bring your admission ticket that you received from E.T.S.
4. Have two number two pencils and a calculator.
5. Wear comfortable clothing as this is a long test.

Spring athletes are reminded that academic eligibility forms are collected from your instructors each week. Very few fall and winter athletes have been academically ineligible this year.

We hope that this continues through the remainder of the

school year.

Attention Juniors: Why not take this opportunity to get "on-line" with our state of the art College-View Computer Program. You can visit just about every college or university in the country and many sites also include CD-ROM presentations. It is a great way to "visit" a college campus without leaving Dallas! See Mrs. Brady in Guidance to set up an appointment.

While on the subject of juniors, we still have some openings for our trip to Penn State, Wilkes-Barre on April 1. See Mr. Wolensky for details.

Check out the new scholarships available in the Guidance packet:

1. Big 33 Sports Medicine Scholarship for seniors pursuing a sports medicine related degree.
2. Dr. Jan Oleginski Scholarship for any senior who is a patient or former patient of Dr. Oleginski.

Special thanks to Mr. Robert Zaruta for being the March Career Speaker of the Month. Nice job, Bob!
