## Kingston Township zoning reminders

The Kingston Township Zoning Officer reminds the residents of the Township that it is illegal to attach garage/yard sale signs to telephone poles, or trees and they should be attached to individual stakes. All such signs should be removed no later than two days after the sale. Violators may be fined up to \$300. Additional information may be obtained from the Zoning Officer at 696-3809.

The residents or anyone locating in Kingston Township are reminded that a Zoning Ordinance requires that a Zoning Permit be issued for the following residential and non-residential activities:

The use of land, the use of buildings, or the construction, enlargement, extension or modification of all buildings, accessory buildings, garages, decks, sheds,

patios, fences, retaining walls, swimming pools, off street parking facilities, driveways, or other projections into yard space. Also, the demolition of a structure and a home occupation require permits.

In addition, a building permit is required for all new construction, including accessory buildings and enlargement, or exterior modification of existing buildings.

Permits or additional information may be obtained from the Zoning Officer, in the Municipal Office at 11 Carverton Road, Trucksville, daily from 8:30 a.m. to 4:30 p.m.

Kingston Township requires a permit for the installation of fire or burglar alarm systems in any residential, commercial or other non-residential buildings. Service charges will be assessed for

false alarms which total more than two times in one year. Property owners who have alarm systems are required to provide for emergency access to the building. Penalties for violations of the ordinance can result in fines of up to \$300.

Additional information or permits may be obtained from the Township Zoning Office at 696-3809, Monday through Friday from 8:30 a.m. to 4:30 p.m.

The Kingston Township Zoning Officer reminds all residents of the Township who owns or keeps a dog, that they should prevent the dog from running at large and should prevent the dog from causing damage to private or public property.

Owners of the dogs who are in violation of the Township Ordinance are subject to a fine.

## Grace Church Bible School July 13-17

Grace Community Church invites all children to a tropical island adventure.

The church is being transformed into SonLight Island, where children will discover the treasure of God's love. Included in our Bible School activities are lively songs, skits, crafts, games, Bible lessons and snacks - everything children enjoy. They will learn in their love for God and learn to share His love with others.

The week draws to a joyful conclusion the last night with an event that is fun for the whole family.

We look forward to this year's Vacation Bible School, "SonLight Island," which is being held July 13-17 from 6:30 p.m.-8:30 p.m. for children ages three through sixth grade. The Grace Community Church is located on Memorial Highway across from the Chapel Lawn Cemetery. For more information, call 675-3723.
