Westmoreland School opening news
 Westmoreland Elementary School classes begin Tues. Sept. 1. Students in the first through fifth grades will attend full day sessions from 9:15 a.m. to 3:45 p.m., beginning Sept. 1. The school building will open at 9 a.m. Student supervision will begin at that time. On the first day, students in grades two through five will report directly to the cafeteria on the second floor to meet their teachers. First grade students will gather in the first floor hallway, where teachers and volunteers will assist them in finding their classrooms. Parents need to consult the paper for bus assignments and departure points. It is recommended that students ride the bus on the first days of school so those children will learn their bus assignment and the District will have accurate transportation records. If parents feel it is necessary to accompany a child to school during the first week, it is suggested that the student ride the bus and parents meet the student at school. Kindergarten students will attend pre-arranged sessions on Sept. 1 and Wednesday, Sept. 2. On Thursday, Sept. 3, morning Kindergarten students will take buses to school with other students and be dismissed at
