Students encouraged to take SAT

All college bound freshmen, sophomores and juniors are strongly encouraged to take part in the standardized testing program offered at the high school in October. On October 7 freshmen and sophomores will take the N.E.D.T. which will help to identify strengths and weaknesses and could lead to national recognition for those who score well. Cost is \$7 and checks can be made out to Dallas High School. Then on October 17 our juniors take the center stage with the P.S.A.T. which serves as a final tune-up for the S.A.T. which will take place in March for most juniors. In addition, in order to qualify as a National Merit Scholarship Semi-Finalist, juniors must take the P.S.A.T. Cost is \$9. Make checks payable to Dallas High School.

Remember parents and students, college admission people like to see the natural progression in terms of testing: N.E.D.T. grades 9, 10-P.S.A.T. fall of junior year - S.A.T. spring of junior year. It is important not to miss a step in this process. The deadline for registration for N.E.D.T. is October 1 and for P.S.A.T. is October 5.

We are often asked by students and parents how colleges determine who gets admitted. Of course each college varies in their selection process, but in general they all use some sort of scorecard to rate applicants. Typically, students are scored on the following: grade point average, rigor of high school curriculum, S.A.T. or A.C.T.

results, activities with emphasis on leadership, teacher/counselor recommendations and the essay which is usually scored for both writing and content. Customary practice is for an application to be read and scored by two admission officers. If your total score is above a certain level you're in. If your score is too low you're out. Most students are in the middle, between the two cut-offs. These middle students' applications go to the admission committee for a decision.

The Riverside Rumble student volunteers are to report to the Ramada in Wilkes-Barre on Sunday, Sept. 20 at 8:45 a.m. Again our student body has made us proud with over 200 student volunteers helping out on race day.

The Guidance Department would like to thank the outgoing PTSO officers for their service to our school and students. President, Laurie Popson, Vice-President, Jill Kryston, Secretary, Kathy Raub and Treasurer, Andrea Mittrick. A job well done ladies.

The Student of the Month Program is looking for local businesses to nominate our students for their efforts in our community.
