Would you let your plumber style your hair?

Then why let anyone but a doctor run your health plan?

HOWARD HUGHES, M.D. SENIOR VICE PRESIDENT

Decisions that affect your health care should be made by you and your doctor. That's why, at Penn State Geisinger Health Plan, many of our top administrators are also doctors. Doctors who spend time caring for patients. Doctors who, even in this cost-conscious era, still believe that "managed care" doesn't mean "less care". So if getting the right kind of care is important to you, make sure you pick the right person for the job. Choose the health plan that's run by the people who know health care best. To learn more, call us at 1-800-631-1656.
