Volunteer nurses needed for Red Cross
Due to the increased demand for blood and blood products in our community the need for volunteer nurses for the Wyoming Valley chapter, American Red Cross is critical.

Volunteers provide American Red Cross services and collection of blood is no exception. That is why the Red Cross in your community is making this plea for professional volunteers. By giving of your time, skill and knowledge you will be helping make a safe, available blood supply to your community. Volunteer nurses are trained by the Wyoming Valley Chapter at no cost to them to take health histories and to do hemoglobin determinations and temperatures.

Do you have 6-8 hours a month to volunteer? Would you consider using this time to make sure your family members and community will have the necessary blood when needed?

Won't you please help save a life, by calling 823-7161, ext. #25 for more information on becoming a Red Cross volunteer nurse?

Recreation surveys to be collected Sept. 30
Surveys for the Back Mountain Ad Hoc Recreation committee must be turned in by Sept. 30. If the deadline is missed, they can be dropped off at the Dallas Administration Building until Oct. 9.
