Knights fall in last minute

Despite an anemic offense, Lake-Lehman led Marian Catholic for 47 minutes in Saturday's homecoming game. But the Black Knights couldn't hold on in the last minute, allowing a Marian touchdown on the Colts' last drive.

Lehman scored on the second play of the first quarter, when D.J. Kapson hit Floyd McRoy on the right sideline, and McRoy

broke the play for an 86-yard score. Seth Moyer kicked the point after, which gained importance when Marian missed the PAT on a touchdown in the third quarter. Lehman held a 7-6 lead until the final minute, when Marian capped a drive when quarterback Stan Dakosty Jr. faked a handoff left,

Controlled deer hunt at Slocum Park

The state Department of Conservation and Natural Resources (DCNR) will conduct a regulated antlerless deer hunt at Frances Slocum State Park, December 14 to help control the deer population within the park.

The one day hunt is for antlerless whitetail deer only, and will be conducted in areas not normally open to hunting. To ensure the safety of all park visitors, the park will be closed to all other activities this day.

To participate, hunters must hold a Luzerne County antlerless license, as well as a special state park permit. Only manually operated shotguns 20 gauge or larger, or muzzleloading firearms will be allowed. The hunt will be limited to 40 hunters, chosen by random drawing.

Fickes, director of the Bureau of State Parks explained that the excessive deer herd is destroying park vegetation. He said that after hunts at other state parks, the park staff usually sees a return of long absent wildflowers, shrubs and small trees.

Safety zones, no hunting areas, and park boundaries will be posted and strictly enforced. Extra park rangers, Pennsylvania Game Commission personnel and the State Police will be stationed throughout the park area during this hunt.

Applications for the controlled hunt can be obtained at the Frances Slocum State Park office open weekdays from 8 a.m.-4 p.m. Applications must be received by November 20. Hunters will be chosen by a random drawing and notified by mail. Hunters must attend a hunter safety program at the park prior to the hunt.

For more information about the regulated hunt, call the park office at 696-3525.
