### Foreign exchange student comes to Dallas

Recently James Keeble, a foreign exchange student from Quito, Ecuador, spoke to the Dallas Middle School German Club. James described his life in Ecuador. Club members were surprised to find out that many students in Ecuador study German and that there are many German language schools in the country. Many other cultural activities were discussed during the program. Ms. Ellen Boyer, German Club advisor, annually invites the foreign exchange students, who are attending the Dallas High School, to come and speak to the club members. ### The 1998 Dallas yearbooks now available

The 1998 Dallas Yearbooks have been delivered to the school and are available to those students who placed orders earlier this year. Alumni may pick up their yearbooks from 9 a.m. - 3 p.m. daily in the high school main office. Receipts are helpful, but not necessary. A limited number of extra copies are also available on a first-come, first-serve basis for those who did not order earlier. These extra copies go quickly and alumni are encouraged to visit the school as soon as possible. Payment is due in full upon receipt of the book.

The 1999 Yearbook Fundraising Campaign is underway and yearbook staff members are contacting area businesses and organizations for advertisements. The money raised through this campaign remains within the school and directly benefits students by offsetting the yearbook selling price. The Dallas High School Yearbook Staff would like to thank those patrons and advertisers who have supported Dallas students in this campaign.
