

### 1939 team identified

Thanks to Raymond Kuderka, standing far right, and Bill Mann, kneeling left, for identifying everyone in this photo of the 1939 Dallas Borough football team. Now in his 70's, Kuderka was a linebacker and running back for the team, which had barely enough players to take the field. His sons, Raymond Jr. and Kenneth, each played three years for Dallas High School, also at linebacker and running back, as did his grandson, Chris. His granddaughter, Sherri, plays field hockey. In the photo above, from left, kneeling, Billy Mann, captain, Robert Hall, Dick Major, Odell Hanson, Wilson Garinger, B. Mason, Phil Templin. Standing, Evan Brace, Gerald Sullivan, Bill Neimayer, Raymond Kuderka.

### 70 Years Ago - Jan. 12, 1929 NEW ART CLASSES NOW BEING TAUGHT IN SCHOOLS

Christmas vacation past, with all pupils in school again, a new subject was put in which is art and is taught by Mrs. LeGrand. The science room is completed and is now being used by high school science classes. The school library is near completion and will be ready for use Friday. There is a new schedule: school starts at 8:45 a.m., so that grade students will have more time for lunch.

### 60 Years Ago - Jan. 13, 1939 DALLAS DISTRICT TO USE WELL WATER

Although Leslie Warhola, manager of Dallas Water Co. appeared before the board to outline a contemplated improvement program which he claimed will assure a constant supply of water, Dallas School directors last night proceeded with their plans to sink a well. Warhola told the board his company is preparing to add another large well to its sources and assured the directors that the increased supply will prevent interruption of service such as have necessitated a dismissal of classes on several occasions.

### 30 Years Ago - Jan. 16, 1969 NATONA MILL WORKERS MAY CROSS PICKET LINES

With concern deepening over struck Natona Mills, it is expected that workers will begin crossing picket lines if the possibility of a closing threatens the largest plant in the Back Mountain. Nearly 300 are employed at the local mill.

Dallas School District has affirmed its intention to furnish water to kids of Westmoreland and Trucksville Elementary Schools until the Department of Health approves use of water coming out of school spigots. Weekly tests continue, and Trucksville Water Co. will again be billed for water the School District is forced to buy. The company has not to date paid for the clean water supplied.

### 20 Years Ago - Jan. 11, 1979 THE DALLAS POST WINS NATIONAL AWARD

The Dallas Post was one of 165 daily and weekly newspapers in the United States which was awarded a designation of excellence known as the Blue Ribbon Newspaper Award by the National Newspaper Foundation. The award was announced by Peter A. Dragon, publisher of the Albion, NY Advertiser, an affiliate of National News Association in a letter to The Post Publisher Ray Carlson. The judging sheet made special comment on "good content" in the Post. No other Luzerne County paper achieved this distinction.
