Baker returns from educational tour, commended for achievement

Jason Baker of Dallas was recently honored with a gathering at the Golden Palace in Wilkes-Barre, to celebrate his recent return from an educational tour of the Canadian Provinces, New England States and the United Nations. Jason a student at Dallas High School was selected from a group of students who excel in their study of World Cultures, History and social Studies.

The bus tour sponsored by the Independent Order of Odd Fellows and its District Lodges (including Oneida Lodge #371 of Dallas), was part of the IOOF's United Nations Pilgrimage for Youth Program. During the ten-day trip, the students toured the Gettysburg Battlefields, Niagara

Falls, Ontario, Ottawa; Boston, MA and Philadelphia.

The trip culminated with a four-day stay in New York City where the group joined other U.N. Pilgrimage touring groups from around the world.

During the stay in New York, the group visited the World Trade Center, South Street Sea Port, Ellis Island, the Statue of Liberty, and other sites. In addition the delegates spent two days touring the United Nations, learning the workings of the world body and receiving briefings by members of the Secretariat.

Jason is currently a senior in the Dallas Area School District and will be continuing his studies by attending college.

Lake-Lehman school bus snow routes

For the safety of our students, Lake-Lehman School District established snow school bus R.t.s for use when weather and road conditions are unsafe to travel on the regular bus R.t.s. When the administration determines that unsafe road conditions exist, they will initiate the snow R.t. procedure. Until the snow R.t. times are established, please have your child at the designated stop at least 10 minutes earlier than the usual pick-up. If the bus does not arrive at the scheduled time, please wait an additional 15 to 20 minutes. Parents must arrange to be at the designated stops to receive their children, especially in the case of an early dismissal. Please discuss with your child what he or she should do if you are unable to meet the bus.

Day Care arrangements are available at both Lake-Noxen and Lehman-Jackson Elementary Schools. Please enroll your child if you need this service.
