**Miseri professor's book published**

A new book about poet John Donne written by Dr. Jeffrey Johnson, professor of literature, language, and communications at College Misericordia, will be published in June by the University of Rochester Press. Johnson's book, titled *The Theology of John Donne*, focuses on Donne's responses to religious controversies, such as the doctrine of the Trinity, doctrine of repentance and the doctrine of grace, which includes the Last Supper controversy. The book also explores Donne's understanding of the common prayer, how his sermons reflected his theological vision, and other aspects of his theology.
