The long day may have added to the difficulty, as many players scored noticeably better on their first nine than on their last.

Mike Molino, assistant pro at Huntsville, finished a stroke behind at 78; he went out in 37 after starting on hole #10, but shot 41 on his second nine. Thomas Motovidlak of Harveys Lake shot

80 (38-42), and Thomas Klimek of Shavertown, a 1996 Dallas High School graduate now attending the University of Maryland, finished with an 85 after recording a 37 on his first nine, which began on hole #10.

The highest score recorded was a 101, by Bud Pirolo of Turnersville, New Jersey. Only 18 of the 52 golfers shot 80 or better.

# Happy Memorial Day

This weekend, as you gather with family and friends for the first long weekend of the season, please take a moment to remember and honor those who did not have the opportunity to relax with friends, hold their grandchildren or savor the warmth of the spring sun, because they gave their lives in defense of the nation and the liberties we enjoy. Theirs was the ultimate sacrifice, and they made it for each and every one of us. The least we can do is honor their memory by discussing the importance of their actions, and pledging never to forget their contribution to our health, well-being and happiness.
