Dallas Senior High School 1999

Top of the Class

Each year, the Dallas School District honors its academic achievers with a banquet and awards presentation. This year's event was held May 25 at Irem Temple Country Club in Dallas. Inside you will find photos of most of the honorees, and names of those not photographed.

The Dallas Post and the sponsors of this section are proud to give recognition to these outstanding students, and to feature them as examples for the classes that will follow.
