

College Misericordia plans 75th anniversary celebration

College Misericordia will celebrate its 75th anniversary with two days of events scheduled for Friday, September 24 and Saturday September 25, including formal dedication of the new Mary Kintz Bevevino Library.

Misericordia students, faculty, staff, Trustees, Sisters of Mercy and invited guests will attend an Anniversary Mass, followed by the dedication of the Mary Kintz Bevevino Library and tours of the new facility. The dedication will be held at the new First Union amphitheatre.

The library, a three-story, 37,500 square foot building is named for Mary Kintz Bevevino '87 of Dallas, who received a bachelor of arts degree in English at Misericordia and later served on the College's Board of Trustees. Bevevino, who died in 1993, is remembered as a dedicated mother and community volunteer who loved books and poetry and spent many hours in the Misericordia library.

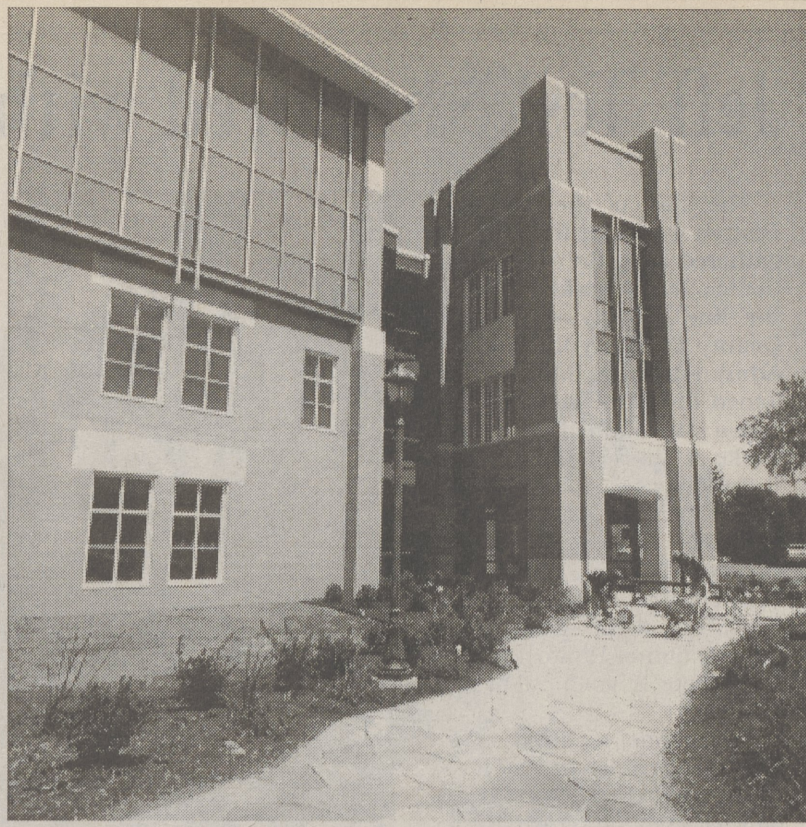

The library, which is open to the public, was designed by the nationally-known architectural firm of Bohlin Cywinski Jackson in Wilkes-Barre and built by Sordoni Construction Services Inc. It contains the latest in com-

puter cataloging equipment, local access networks, a CD-ROM network, a computerized card catalog and approximately 125,000 books and materials.

The building also contains the 1,600 square foot Catherine Evans McGowan Center, a multipurpose conference and seminar space which will be used for teleconferences, satellite conferences, seminars and other activities. McGowan was a highly respected reading and spelling teacher in Mocanaqua and the Hanover Township school districts before she married in 1923 and left teaching to raise her family. She is remembered for her devotion to the profession of education, for her commitment to her family and for her work in the Ashley community.

Tours of the library and a luncheon will follow the activities.

Construction of the \$7 million library is part of the College's \$10 million Campaign for College Misericordia, which exceeded its goal and ended in Fall, 1998. Other campaign aspects include renovating and enlarging the Joseph B. and Virginia H. Banks Student Life Center, building the Munson Center for Educational Technology and increasing the College's

endowment.

On Saturday, the College community will celebrate Founder's Day with a series of community service projects. Misericordia alumni are invited to join students, faculty, staff, Trustees and Sisters of Mercy working with Rails to Trails, Habitat for Humanity, the St. Vincent DePaul Soup Kitchen, the Catherine McAuley

Center and Mercy Center.

The service activities will begin at 10 a.m. and continue until 1 p.m., followed by a picnic lunch on campus and a Founder's Day Mass at 4 p.m.

For more information about the Misericordia Founder's Day service activities, call the Misericordia Office of Alumni Relations at 674-6248.
