Love to write?

The Dallas Post is seeking correspondents to take weekly assignments in both news and sports. We're looking for people who have an interest in the Back Mountain, can write clearly and meet deadlines.

Prior newspaper experience is not necessary. Will be paid on a per assignment basis. Photo skills a plus.

For news, ideal candidates will know their way around the Back Mountain, have general knowledge of how government works, and be curious about what people do and why they do it. Some assignments will be evening meetings.

In sports, we need someone who knows sports in the Back Mountain, and can write knowledgeably about any of them. Will cover primarily high school, but other youth and adult activities are part of the mix. Most assignments will be "sports features," not just game reports. Prior newspaper experience is not necessary, extra-sharp students considered. Will be paid on a per story basis.

If you think this might be a good spot for you, stop by our office and fill out an application (bring a resume if you have one), or write:
