# British artist's work at MacDonald Gallery

The contemporary artwork of Antony Riley will be on display at the MacDonald Art Gallery at College Misericordia October 1-31. The exhibit is free and open to the public.

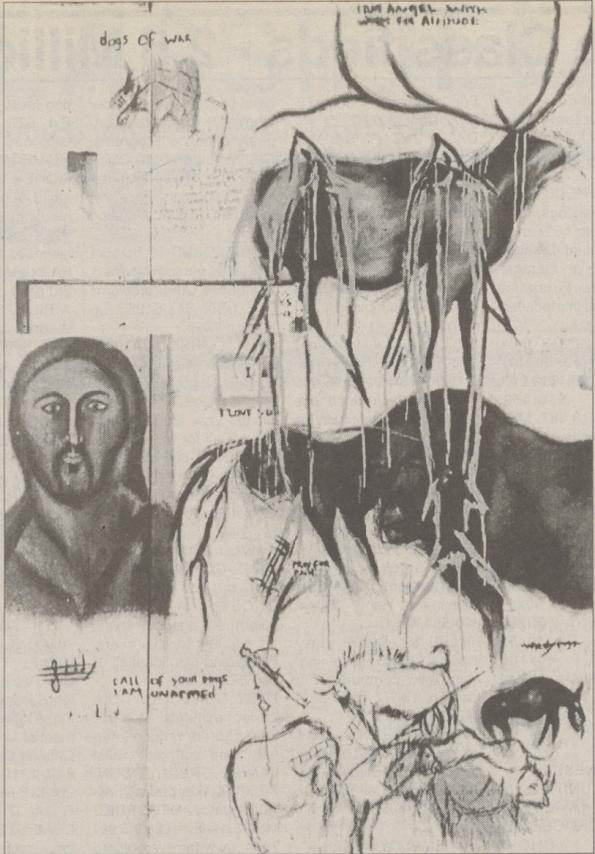

Riley, a British artist now living in Norway, uses his art to reveal his ideas about the current human condition.

In his exhibition, titled "Universal Spectrum of Contemporary Identity," Riley uses large panels of wood as canvas for his varied creations.

He says that the idea that unifies his work is his belief in the concept of a universal identity. This concept strives to discover the commonality between human beings, disregarding race, ethnicity, political and social pressures.

This exhibit is presented in cooperation with Blair-Murrah Exhibition Services. A reception for Riley will be held on Saturday, Oct. 2 from 6-8 p.m. The reception is free and open to the public.

Gallery hours are Tuesday, Wednesday and Thursday, 12-5 p.m.; 6-8 p.m.; Friday, 12-5 p.m.; Saturday and Sunday, 1-5 p.m. Closed Monday. For more information call the Gallery at 674-6250.
