

Lehman-Jackson Fire Safety Day

The PTA sponsored Fire Safety Day at Lehman-Jackson School. Volunteer firefighters from Jackson Twp. brought a truck and equipment to show the children. Megan Stayer, in top photo, looked out from the inside of a Jackson Twp. fire truck. Mike Attanasio, a volunteer firefighter, looked on. Megan, a first grader, celebrated a birthday this month.

At right, Kathryn Bronson got a feel for the getup worn by Jackson Twp. Fire Chief Dan Manzoni. Firefighters show children how they may look when entering a home, so children will be less frightened by the alien appearance.

Shouldn't your advertising be, too?

Would you canvass neighborhoods that aren't in your voting district? Of course not. So, why spend precious advertising dollars to reach people who can't vote for your candidate? That's what happens when you use radio, television or city newspapers. But not with The Dallas Post.

The Dallas Post is all local, all the time. And our readers are among the most involved and active in the region. So, when you get their vote you might also get their influence on friends and neighbors.

Don't waste your advertising on people who live in Wilkes-Barre, Forty Fort or Mountaintop. Call today for our low rates and other information.
