Raiders A team pulls out big win over Huskies

It's Monday morning, and everyone that was at the A-team football game featuring the Kingston Township Raiders and the Kingston Huskies is just starting to catch their breath, because this game had to be the most exciting mini football game ever played. After going up 6-0 on a first ever touchdown by fill-in fullback Pat Rother, the Raiders got pushed back on their heels in the

third period. Kingston scored in the third and then again in the fourth period leaving it ahead 12-6 with two minutes to play. On the second offensive play after the two-minute break, Ken Regan ran his third wing reverse of the day 45 yards to paydirt, tying the game at 12. Drew Hiller and Steve Fritz had crucial blocks to break Regan free. The game ended with the score tied at 12. As rules stipu-

late, each team has four chances to score from the 10 yard line to break the tie. With third down and 5 to go, QB Brian Ostrowsky rolled left and hit Ken Regan in the corner of the end zone. The defense toughed it out and held the Huskies from scoring in their four tries. The Raiders are 5-2 with their last season game next Sunday at Memorial Stadium against Dallas.

Deer hunt set for Dec. 13 at Frances Slocum

The state Department of Conservation and Natural Resources (DCNR) will conduct a regulated antlerless deer hunt at Frances Slocum State Park, December 13, to help control the deer population within the park.

The one day hunt is for antlerless whitetail deer only, and will be conducted in areas not normally open to hunting. To ensure the safety of all park visitors, the park will be closed to all other activities this day.

To participate, hunters must hold a Luzerne county antlerless license, as well as a special state park permit. Only manually operated shotguns 20 gauge or larger, or muzzleloading firearms will be allowed. The hunt will be limited to 40 hunters, chosen by random drawing.

Roger Fickes, director of the Bureau of State Parks explained the excessive deer herd is destroying park vegetation.

Safety zones, no hunting areas, and park boundaries will be posted and strictly enforced. Extra park rangers, Pennsylvania Game Commission personnel and the State Police will be stationed throughout the park area during this hunt.

Applications for the controlled hunt can be obtained at the park office weekdays from 8 a.m. to 4 p.m. Applications must be received by Nov. 15. Hunters will be chosen by a random drawing and notified by mail. Participants must attend a hunters safety program at the park prior to the hunt.

For more information about the regulated hunt, call the park office at 696-3525.
