30 hours weekly

We're looking for someone who:

- Loves community news, and knows the area.
- Can write clearly and accurately.
- Can keep a flexible schedule that includes some night and weekend work and averages 30 hours weekly.
- Can take photos, and would like to learn how to scan them on a computer.

If this describes you, we should talk. You won't get rich, but you'll have the chance to cover a wide variety of news, build a clip file if that's important, and develop your skills and interests as a "newsperson."
