Host families sought

Seeking families interested in hosting a child from Russia for six weeks during the summer. Sponsored by Kidsave International, World Links Inc., and Russian Children's Charity, the child or children will reside in your home as part of your family while attending a summer day camp program in the Luzerne County area. The program has become an effective way in finding permanent adoptive homes for older children age six through eleven who might not otherwise be adopted. Hosting a child does not mean you must adopt the child but all children are available for adoption. If you are interested in hosting, volunteering to assist or require further information call Brunon or Barbara Kryger at 714-4722.
