Grace Church VBS July 17-21

The year's Vacation Bible School, the SonZone Discovery Center, is something your children will be talking about for a long time. "SonZone" is a very special place—a fantastic inventor's museum designed just for kids. Here your children will join Professor Mega-nogin in her search for God's awesome plan. Your children will participate in lively songs, view humorous skits and participate in "science-with-a-twist" based crafts and games. Most importantly, they'll look in the Bible for the answers to some very important questions such as "Why Am I Here?" "What is God

Like?" and "Why Did Jesus Have to Die?"

The staff at Grace Community Church is looking forward to this time to share God's plan for us with children from our area.

The SonZone Discovery Center Vacation Bible School begins July 17 and continues through July 21, from 6:30 p.m. to 8:30 p.m. The school is for children three years of age through those who completed sixth grade this year and will be held at Grace Community Church, Route 415 (across from Chapel Lawn Cemetery), Dallas. For information, call the church at 675-3723.
