George E. Cimochoowski, M.D.,

is a man of extraordinary heart!

Just ask the Pennsylvania Medical Society. That prestigious organization's board of trustees unanimously named Dr. Cimochoowski the recipient of the 2000 Pennsylvania Medical Society's Physician Award for International Voluntary Service.

That's because since 1994, Dr. Cimochoowski has raised over \$2.2 million for the Friends of Litewska Children's Hospital in Warsaw, Poland. As chairman of that hospital's Board of Directors, he has led successful fund raising efforts that provide critical financial support to the hospital and bring modern medical technology to benefit children in that country.

But that's not all he's done. For the last decade, Dr. Cimochoowski has led the region's finest heart program as Chief of Cardiac Surgery at Wilkes-Barre General Hospital. Right here at home, Dr. Cimochoowski's work as a cardiac surgeon has given thousands of area heart patients a new lease on life.

Congratulations on your fine accomplishments, Dr. Cimochoowski!
