Fire Prevention Week at Lehman-Jackson Elementary

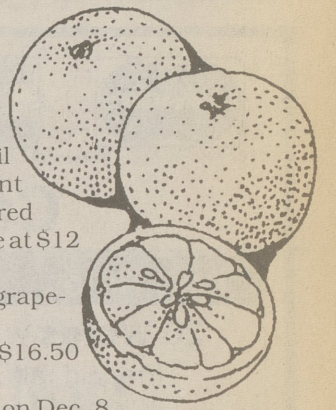

The Lehman-Jackson Elementary PTA recently sponsored Fire Prevention Week at the Elementary School. Members of the Jackson Township Volunteer Fire Department paid a visit to discuss fire safety with all the students in grades K-6. Students were treated to a peek at a real fire truck and participated in a discussion on fire-fighting equipment. Firefighters reviewed fire safety rules, and with the help of the children demonstrated the use of fire-fighting turnout gear worn by the firefighters. As a special treat, anyone that had the same first name as the firefighters got to put on a helmet and sit in the front seat of the fire truck.
