Santa letters Dallas Elem Miss Cooper's 4th grade

Santa,
How are the elves? How is Lance? He came to my house a couple of days ago. He ate my snack and drank the milk. Quincy was a nice elf too. How about each night a different elf comes to my house each night? So tell them okay! Did you get my letter from Lance, I hope so. It was really important cause if my parents took it when I left it out for Lance, and my parents read it, the hole thing would be ruined from what I wrote and wished for. I mean it, if you got the letter and read what I wrote it was really true, I mean it I'm not kidding. If you do what I said on the letter you don't have to give me presents. But just that one Speacil thing I wrote about on that letter.
P.S. If you got that letter from Lance do not do the thing I told you to on Christmas.
Janelle A. Marshallck
