## Threshold needs volunteers

The 'Threshold' program at Chase Prison is seeking volunteers for the program beginning in September.

Threshold is a decision-making program which is taught to inmates at the correctional facility in Dallas who are about to be released. The Threshold course is taught by volunteers, on a one-to-one basis over a period of nine weeks. The only prerequisite to becoming a volunteer is to be a caring person who wants to reach out to someone about to make a new beginning. There will be a training session on Sat. and Sun., Sept. 8 and Sept. 9.

For more info, contact Edna Vivian at 825-9560.

## Fuel funds available for vol. fire cos.

Volunteer fire company officials are urged to take advantage of a state program which reimburses state gas tax paid on liquid fuel purchases for company vehicles. Completed claim forms must be post marked or received no later than Sept. 30.

The refund rates, for gasoline purchased on or after Jan. 1 are 26 cents per gallon for gasoline and 30.9 cents per gallon for kerosene and diesel fuel.

Each claim must include copies of paid receipts or a statement from the fuel dealer showing the number of gallons purchased, purchase dates and verification the state taxes were paid.

New filers who need assistance in preparing or filing a claim can call (717) 787-6534 or email levergot@tre.state.pa.us

Companies that have made arrangements with local municipalities or a supplier to obtain fuel without paying the gas tax are not eligible for reimbursement.

## Sustainability grants for northeast farmers

The Northeast Region Sustainable Agriculture Research and Education program (SARE) will once again offer grants to farmers in the Northeast who want to explore innovative sustainable practices on their farms.
