Lehman-Jackson wraps up PTA fund-raiser

Overall top seller for 2nd year in a row: 6th grader Ed Donahue.

PTA Fund-raiser Chairpersons Zina Sult and Mary Ann Talacka recently brought to a close the Lehman-Jackson Elementary school's annual fund raiser. The PTA relies totally on profits from this one and only fund raising event of the year to fund the many worthwhile extras students enjoy throughout the year.

The majority of the funds raised enable all students to benefit from field trips for each grade level, and informative assemblies such as The Franklin Institute Traveling Science Shows and The Bloomsburg Theatre Ensemble.

Fundraiser money also is used for other functions that sometimes goes unnoticed. Some of

Elementary school principal Robert Kunkle with top sellers in each grade: kindergarten: Stephanie Konek; 1st grade: Carly Gromel; 2nd grade: Jacob Titus; 3rd grade: Joshua Martin; 4th grade: Stormie Ungureit; and 5th grade: Andrew Warmouth.

the funds will go towards programs like the 4-6 grade Basketball Program, A RIF (Reading Is Fundamental) program that encourages students to want to read and the White Christmas Program (going on strong for over 34 years) where the stu-

dents and the PTA join together to make up food baskets for needy families in the local area.

Pictured are the top sellers from each grade at the school that helped make this one of the most successful fund-raisers ever.

Students invited to try for Sem Trustee Academic Scholarships

Area eighth- and ninth-graders not already enrolled at Wyoming Seminary are encouraged to register for Sem's Trustee Academic Scholarship Exam, to be held Saturday, Feb. 2, 2002 at the school's Kingston campus.

Wyoming Seminary is an independent coeducational college preparatory school located in northeastern Pennsylvania; it enrolls about 450 boarding and day students in grades nine through 12, as well as a post-graduate year.

The Trustee Academic Scholarship (TAS) program, now in its 21st year, recognizes excellent students. Up to four scholarships, including one full tuition scholarship, will be awarded to students who combine outstanding performance on the competitive exam with a solid record of citizenship and achievement.

Fourteen current students are Trustee Academic Scholars, including senior Brandon Sherlinski of Shavertown and junior Matthew Katyl of Dallas.

Exam registration will be at 9 a.m. and the exam will be given at 9:30 a.m. During the exam, parents are encouraged to attend a discussion led by Karen

Mason, Wyoming Seminary's director of college guidance, on how to maximize their daughter's or son's chances for college success. Parents may also attend a later session titled "Options Beyond TAS: The Next Step," which will provide more information about the school's admission and financial aid processes.

Following the exam, school president H. Jeremy Packard will host a luncheon for students and the parents. Seminary students will conduct tours during the afternoon for prospective students and their parents, and admission representatives will meet with families.

Students entering ninth or tenth grade in 2002-2003 who are not currently enrolled at Wyoming Seminary are eligible for the TAS scholarship. Pre-registration is required by January 29; there is no registration fee.

For more information about the Trustee Academic Scholarship Exam, call the Office of Admission at (570)270-2160. For more information about Wyoming Seminary, visit the school's website at www.wyomingseminary.org.
