Black Knights must rebound after loss to Dallas

BY TIMOTHY J. RAUB

LEHMAN TWP. — Dallas's win over backyard rival Lake-Lehman last week moved the Mountaineers closer

to the top of the conference.

But for Black Knights, the loss has serious implications.

Lehman, down 20-18 at halftime, was outscored 24-15 in the second half as Dallas defeated the Black Knights 44-33 in a key Wyoming Val-

ley Conference matchup. "This loss was big for us," said Lehman head coach Rob Wilson. "We have to come out and win our next four games to even have a chance at anything more."

The loss gives the Black Knights an 8-3 overall record, 2-2 in the WVC, which is enough for a tie for third in the division, while the Mountaineers move to 9-2 on the season and 3-1 in the conference, putting them in the driver's seat.

Rosalyn Wentko scored a gamehigh 14 points and Shannon Thomas added 12 to lead Dallas, while Danielle Kern poured in 13 points, including the only trey of the game, to lead the Black Knights.

The loss was another blow dealt to Lehman this season, which started with a lot of promise. Veteran Kari Maskalis is out of the lineup with an injury, forcing Wilson to put together a lineup that does not have much experience together.

"The chemistry on the team has been better this season than in years past," said Wilson. "We have Danielle Kern and Lisa Wasser from last year's team in the starting lineup, but the rest of the starters were on Junior Varsity last season.

"It is going to take a while."

The key for Lehman will be over the next four games, where the Black Knights will need to win all four to stay in the hunt in the conference.

"We have to come out and hope we win the last four games of the half to have a chance for the first half title," said Wilson. "We have to hold on to third place. First and second are a little bit of a long-shot, but third is where we need to be.'
