

Dallas High School to offer practice SAT exam

The Dallas High School Guidance Department in conjunction with the Princeton Review is sponsoring the practice S.A.T. at 8 p.m. on Saturday, February 9, at the Dallas High School.

This test is open to all area college bound students and is a great chance to take an actual S.A.T. without the worry of a poor score on a transcript. In addition, each student who takes the test will receive a detailed printout of their strengths

and weaknesses to help prepare them for the actual S.A.T.

The cost for the test is \$15 which is due by Wed. January 30. Checks should be made payable to Dallas High School and mailed to Dallas High School Guidance Dept., P.O. Box 2000, Dallas, Pa. 18612.

Interested students should register early as the test always sells out.

For additional information call 674-7218.
