## SCID inmates donate to Big Brothers/Big Sisters

Superintendent Thomas Lavan announced recently the L.I.F.E. Association presented a check for \$2,500 to Big Sisters of Philadelphia, Inc. in support of at-risk girls. The funds were raised by inmates who participated in the association's 21st annual Run-A-Thon. Inmates who earn as little as \$12 a month in inmate wages, sacrificed and gave from their hearts by purchasing candy, because they wanted to be part of this worthy humanitarian cause. A total of 85 inmates participated

in the actual Run-A-Thon, running 1,790 laps, which is equivalent to 716 miles around the prison's makeshift track.

The Dallas L.I.F.E. Association was founded in 1975 by a small group of inmates who were sentenced to the rest of their lives in prison. These men, recognizing they owed a huge debt to society as a result of mistakes made in their life, decided to create a vehicle through which they could begin to repay some of that debt. The Dallas L.I.F.E. Association was the result.
