## Tanglefoot returns to College Misericordia

Tanglefoot has been called vibrant, hilarious, poignant, crowd-pleasing, larger than life, exuberant, dashing and passionate. In other words, they're a bit hard to describe, but wonderful! For the past two years College Misericordia has hosted the band in a crowd pleasing, foot stomping concert benefiting the College's Women with Children Program.

This year, they're doing it again. On Friday, March 22, at 8 p.m., Tanglefoot will return to Walsh Auditorium for another

evening of their unique brand of high-octane acoustic music. Their songs tell stories of strong women and men or re-tell legends in their own entertaining, often humorous style, rooted in Celtic, French-Canadian and Ottawa Valley traditions. It's an evening of fun the entire family can enjoy.

Tanglefoot is making its third visit to the Misericordia campus. In their previous two visits they were inspired to write a unique song, "Miners and Mercy," which appears on their latest CD. The song profiles the early

efforts of the Sisters of Mercy, College Misericordia's founders, to educate the daughters of hard working area families.

The concert will be a fund raiser for College Misericordia's Women with Children program, which allows single mothers to attend classes full-time and live on campus with their children.

Ticket prices are \$5 for students; \$10 general admission and \$15 for reserved seating. For additional information or to purchase tickets, call 674-6719.
