Notice of Source Water Assessment Protection Program Public Meeting

Attention customers of Pennsylvania American Water Company's Ceasetown, Crystal Lake and Huntsville water supplies and the general public concerned about protecting the quality of drinking water supplies in these areas of the Back Mountain, Luzerne County, Pennsylvania.

The Pennsylvania Department of Environmental Protection (DEP) is holding follow-up public meetings to further discuss the Source Water Assessment Protection (SWAP) program. The SWAP program is being conducted throughout the Commonwealth by DEP to evaluate and establish protection priorities for potential sources of pollution that may affect drinking water supplies.

The public meetings will be held at the following date, time and location:

- March 20 at 6 p.m. to 7 p.m. - Ceasetown
- 7 p.m. to 8 p.m. - Crystal Lake
- 8 p.m. to 9 p.m. - Huntsville

All to be held at the
Luzerne County Conservation District Office
Smith Pond Road
Lehman, PA

DEP is inviting the general public to attend this follow-up meeting. During the meeting, the public will have the opportunity to discuss preliminary results of the initial evaluation of the PA American's Ceasetown, Crystal Lake and Huntsville water supply watersheds, discuss the department's draft report on land use activities; water supply contaminant issues; and what action the public can take to develop protection plans for these water supplies and the associated watersheds. Please note that this meeting will be held to discuss only raw water quality issues before any treatment and distribution. Currently, the above water supplier is providing water meeting or exceeding requirements under the PA Safe Drinking Water Act. Additional information can be found at www.PaSWAP.com. Information can also be obtained by contacting Nino Misiti of Spotts, Stevens & McCoy at (610) 621-2000.
