recently pulled hamstring, he anchored the winning 400 relay team. Aaron Kubasik stepped in for Kuwaye in the 200 and won in 23.7 and also ran the third leg on the 400 relay.

However, Lehman didn't get those types of efforts from enough people.

"We may have had a lack of seriousness," said Black Knights head coach Ed Radzinski. "We have about 10-12 guys that are gutsy warriors. I think the rest of them aren't there yet."

In the girls meet, Chollak won the high jump (5 feet) and 400 (1:07.8) and Watson swept the hurdles (20.9 in 100 and 1:14.6 in 300).

linebacker to coming off the end, but I am just trying to get it done and get to the quarterback.

"My goal was to make this team, and if that is where I am going to fit in then that is what I am going to do."

Pioneer head coach Terry Karg has been impressed with Butcofski's determination and constant growth with the team, and said he sees him helping the team this season.

"Rich brings us a guy with a lot of determination and passion," said Karg. "He plays hard on every snap, and is very determined to become a very good football player."

"Right now, he brings us a lot of hustle, and he makes a lot of plays for us. That's what I see him doing, and that is what he will hopefully continue to do for this team."

Butcofski was forced to sit out much of the team's training camp, and was on the injury reserve list to start the season, but Karg said he has come back well, and is giving the team what they need.

"(Rich) always got his motor running, which is half the battle," said Karg. "He was injured and fought back from a bad ankle sprain through training camp, and was able to come

But the former all-state and Big 33 Classic team member is still adjusting to arena football — and his new positions.

"I'm a little bit of a different position, so I didn't know what to expect," said Butcofski. "The biggest difference for me is playing tight end. I have to work on my pass coverage and I am just trying to work on my technique and do what I have to do."

"I like defensive end. I don't like it better than linebacker, but I am just trying to do what I have to do to help the team, and that is basically where I fit in right now," he said. "If me playing defensive end is going to help this team, then that is what I am going to do."

scored Gryskevicz from third, and a dropped ball in the outfield that scored Tkaczyk.

But the Grenadiers (6-5) answered with two of their own in the bottom half of the inning to tie the score.

The Mountaineers recaptured the lead with a three-run third inning to make it 5-2, but GAR came back in the fourth with a five-hit, three-run attack to again tie the score.

A sacrifice fly from Adam Scoonover gave Dallas a one-run lead in the fifth, and an inning later, the Mountaineer bats came alive for a seven-run attack to jump out to a 13-5 lead. Gryskevicz then held the

Grenadiers hitless during the final two innings to hold on for the win.

"Ryan (Gryskevicz) pitched very well today," said Federici. "He has been our ace all season, and we will continue to go with him in the big games."

Gwynn went 2-for-4 with two RBI to lead GAR.

"We were fortunate to be staying with them throughout the early and middle innings," Grenadier head coach Simon Peter said. "Against a team the caliber of Dallas, you can't be giving that many free passes, because it will eventually catch up to you, and it did in (the sixth) inning."
