Scott Street and Wilkes-Barre Blvd. Friday, collecting \$950 from curbside donations. Kevin Flaherty, owner of bar, also donated tips from the evening to the fund.

Tom Ansilio, owner of the Flower Tents, donated \$500 to the fund from his business.

"I know what it is like to have a dog who has a lot of problems," said Ansilio. "My sister had a puppy a few years back that needed a lot surgery. When I heard about this, I couldn't help but donate, because it was something so similar."

something so similar."

Maverick's surgery is expected to cost \$3,000 and will be performed by a specialist in North Carolina.

Maverick came to the Back Mountain and Ann Whitney, via a greyhound farm in Florida. It was determined the dog would never be able to race after his mother rolled over on him, breaking his legs at birth.

Whitney said it is very rare for her organization to rescue greyhound puppies, and she would only be apt to give a puppy to a

family who has already adopted greyhounds in the past.

Anyone interested in donating to the Maverick Greyhound Fund may do so by sending all donations to: "Maverick Greyhound Fund" RR1, Box 380, Dallas, PA 18612.

There are five greyhounds currently ready for adoption, and anyone interested in adopting can have the dog put in the care of a foster family to potty train and kennel train it. Just call Pet Care specialists at 675-1672 for information.

Send The Dallas Post to a friend. It makes a great gift. Call 675-5211 for information.
