Dallas Township receives grant for stream signs

In February, Dallas Township was notified by the Susquehanna River Basin Commission that their stream signage grant application, established to fund the installation of PENNDOT-approved signs identifying streams, rivers, and creeks in the Pennsylvania portion of the Susquehanna basin, had been approved.

The Susquehanna River Basin Commission received funding from the Pennsylvania Department of Environmental Protection through its Growing Greener Program. The purpose of the Program is to raise awareness, connect people to their watersheds and encourage them to protect their water resources.

Watch for signs that have been installed during the month of June, also known as "Rivers Month", before bridges of state-owned roads that cross over the waterways. For a complete listing of the streams and stream crossings, visit the township office, at 601 Tunkhannock Highway, Dallas.

Huntsville UMC to welcome new pastor

The Huntsville United Methodist Church will hold a reception immediately following the service of worship on Sunday July 14 to welcome their new pastor Pastor W. (Jim) Pall and family.

Pastor Pall will begin his duties at the church July 7, and the morning worship time has changed to 10 a.m., starting July 7.
