Lake-Lehman Band Boosters Antique Car Show

Debbie Murphy, Molly and Michael proudly showed off the family Corvette.

The Lake-Lehman Band Boosters organization held its 19th annual Antique Car Show last weekend on the school grounds in Lehman. Oppressively humid air and erroneous weather warnings depressed the turnout somewhat, but did not dampen the enthusiasm of exhibitors or attendees. The event drew 240 entries, and four new classes were added, bringing the total to 57. Trophies were awarded for first, second and third place in each class.

Car owners remarked about how much they enjoyed the show. A band boosters spokesman gave special thanks to the Lake-Lehman school board, administration and custodial staff for their efforts to prepare a new area for spectator parking, which was needed due to the construction project presently underway at the high school.

Madeline and William Cook took it all in.

Fred Rosencrans brought the real thing, not the modern T-bird revival.

"Demo" Dan Klein, Dallas, posed with his open wheel rod.

Bob Jones, "The Black Knight," with his lady, Mary Lou Yanovitch.

A spiffy Nash Metropolitan open for inspection.

Ken Marsala Sr. and Jr. posed with their Mustang.
