Students attend Rotary Leaders Camp

The Dallas Rotary Club recently welcomed some of the participants of the 14th Rotary Leaders Camp to their weekly Rotary meeting. Sophomore students, attending either Lake-Lehman or Dallas high schools, are selected to attend Leaders Camp each year.

This year the camp was held from June 16-20 at College Misericordia and was attended by 63 girls from Rotary District

7410 and 7370 plus a number of volunteers. The girls are separated into teams called Earth, Wind, Water and Fire and are encouraged in leadership and career goals plus participation in other programs and events that enlighten and enliven their week.

One of the end results of the week is a newsletter, the Trailblazer, which showcases the talents, experiences, photographs

and new friendships that developed from the camp.

There is also a Boys Leaders Camp that was attended this year by Michael Swartwood and Dustin Bednarz from Dallas. Any sophomores attending Lake-Lehman or Dallas who are interested in attending the 15th Rotary Leaders Camp should contact their guidance counselors for more information.

Red Cross chapter asks for blood donations at Labor Day

The American Red Cross is asking people to give blood over the Labor Day Holiday. Everyone who participates between August 25 and September 7 will receive an American Red Cross calculator.

"It has been a struggle all summer to collect enough blood for hospital patients in this area," said Molly Groody, Red Cross spokesperson. "That final summer holiday weekend is fast approaching. The blood supply is still critically below what it should be. More people will be on the highways over the holiday which could lead to accidents and victims needing blood. Right now there is less than a day's supply of some of the most common blood types. We are asking people to be a Holiday Hero and

give blood during this last summer holiday."

The blood inventory should be at a three-day minimum supply to have enough blood for hospital patients who need blood. An ideal inventory would be a five to seven-day supply. In an effort to combat this situation, American Red Cross Blood Services, Northeastern PA Region, has unveiled its Labor Day Holiday Hero Campaign, which will run from Sunday, Aug. 25 through Saturday, Sept. 7. Anyone who participates in the blood drives will receive the calculator.

Anyone who is at least 17 years old; who weighs at least 105 pounds, and is healthy, may give blood. For more information, call the Red Cross at 1-800-GIVE LIFE.
