**HAVE A SAFE
GHOUL'S NIGHT OUT!**

REVIEW THESE IMPORTANT SAFETY TIPS WITH YOUR CHILD TO MAKE SURE HALLOWEEN IS A FUN AND SAFE EXPERIENCE FOR EVERYONE.

- All costumes should be made of nonflammable material.
- Don't talk to strangers, or get into an unfamiliar car.
- Choose a nonrestrictive costume, that's easy to move in.
- Set a curfew. Designate a specific time of return for your child.
- Plan your route. Parents should know exactly where their children plan to go and with whom.
- Pets that are not used to groups of children should be kept on a leash and away from the front door.
- Don't wear masks that obstruct vision. Use theatrical makeup instead, when possible.
- Children should always carry enough change to use a pay phone, should trouble arise.
- Walk, never run across the street.
- Cross only at corners, never between parked cars.
- Leave toy guns and pointed toy weapons at home.
- Visit only well-lit, familiar homes in your neighborhood.
- Never go alone. Always trick-or-treat in groups.
- Inspect all treats before eating. Discard any unwrapped candy.
- Young children should be accompanied by an adult.
- All fruit should be inspected, washed and cut before eating.
- Never enter any strangers home for ANY reason.
- Make yourself visible. Wear reflective clothing and carry a flashlight after dark.
- Clear the front porch or any walkway of obstructions so children don't trip.
- Trick or treating should be done between the hours of 5-8 p.m.
