## Fall leaf pickup in Kingston Township

The Kingston Township Board of Supervisors has announced the annual Fall Leaf Pickup has been scheduled for November 11, through November 22. Residents are advised to have leaves bagged and placed at the curbside for pick-up. The pick-up is limited to bagged leaves only. Pick-up will be between the hours of 7 a.m. and 3 p.m., Monday through Friday.

The Township reminds residents a township ordinance prohibits sweeping leaves into gutters and roadways and that any burning of leaves requires a permit. The leaves block storm drains and this poses a serious maintenance problem for the Public Works Department. Call 696-3650 with any questions.

At Geisinger Health Plan, we do more than give our members access to excellent health care at an affordable cost, a growing network of health care providers and a variety of wellness and care coordination programs. If necessary, we'll transport members who are out of the area — or even out of the country — back home to be treated by their own doctors. We do all this because our health plan is run by practicing physicians. Not insurance executives. Not accountants. And isn't that the kind of health plan you wish you had?
