bring strong defense to the team. Kelly is a point guard and she has recently scored a three-pointer in exhibition. The coach says she'll go for points like that when she has the chance. Ashleigh is an outside guard and is the team's main defender inside. "She's super," says Noon.

"We have a target on our back and every team will be shooting for us."

Dallas coach

Sophomores Cory Patton and Megan Savage should also "really help out" and all-star returning players Rosalyn Wentko and Jackie Hardwick "should perform well." The coach praises the girls saying, "They're both good rebounders. They do it all underneath."

Shannon Thomas has been the league MVP for two years in a row. "She's an offensive player and we're looking for her to do a lot of things this year." Last but certainly not least, rounding out the team with the girl who pulls all others together, Noon mentions Merideth Lacey. "She brings all the girls together," says Noon. "She's always in my head. She knows all the plays and positions and is the brains of the team."

Dallas finished with a 23-4 record last season. In the end, they lost to Lake-Lehman and are looking forward to the rematch. "Every game is very important," says Noon. "We have a target on our back and every team will be shooting for us."
