UGI heating assistance grants available

UGI Utilities, Inc. is helping eligible gas and electric customers apply for federal energy assistance dollars to keep their homes warm this winter. These grants, which do not need to be repaid, help customers with limited or fixed incomes pay their heating bills, repair or replace a heater and avoid utility service shut off. Last winter over 10,000 UGI customers received money from this fund. The average grant was \$239. For more information on federal energy assistance, and how to apply, customers should call UGI's toll-free phone number: 1-800-UGI-WARM (1-800-844-9276).
