## Rudolph the Red-Nosed Reindeer

The Parent Enrichment Group at Trucksville Nursery School took the stage last week for their performance of the Christmastime classic. The Thursday night performance was snowed out, assuring a large and enthusiastic crowd for Friday's show. This version of "Rudolph" was written by Susan Collini. Directors for the 2002 performance were Yvonne Tupper and Tammy Adams. Set and art design were by Deb Blandford, Susan Collini, Bill and Sandi Holena and Diana Pehala. Costumes were made by Mary Epley and Sue Vozzak, and the sleigh was built by Bill Reinert.
