

can never see you in person. I also want to ask you how you can go to so many houses in one night?

I could never do that. I hope you have a Merry Christmas. I also hope the reindeer are fine. I want to see you in person one day.

Taylor Culver

Dear Santa,
Ho! Ho! Ho! I see you on Christmas Eve! Hi my name is Maryt Kate Osick, and I hope I'm on the top of the nice list, because I've been some what good.

You probably already know what I want for Christmas, but just in case you accidentally skipped something here's my list. I would like a Yazman the Brat Doll, an Bratz Cafe some cloths., and an Ekara head-phone. I don't want much but I sure would like them.

I hope you come to my house because I've really tried to be extremely good.

Love,
Mary Kate Osick

Dear Santa, Clip. Clop. Clip. Clop. I like your reindeer a lot. I hope they like carrots and lettuce. That's what we usually give them.

I don't want too much for Christmas. I'd like a Play station game. Sometimes I'll even share it with my brothers. My parents will get me more presents.

I hope you like sugar cookies. That's what we will give you (or a muffin). Thanks a lot for all the presents you gave me. You should definitely keep your job!

Happy Holidays!
Bethany Harris

ho hope I hear you on Christmas Eve. Do the reindeer like the short carrots or the logn ones. I have a riddle for you. Why did the sun get such good grades in school?

I want toys and games for Christmas I hope I am on the good list because I've been good I hope I see you on Christmas.

Have a safe trip in your sleigh and don't let the reindeer get bumped around. The answer to the riddle was because he was so bright(like rudolphs nose)

Sincerely
Christopher Dillon

Dear Santa,
It is almost time for Christmas, and I know a lot of kids like Christmas. I bet you want a pet. A Golden Retriever, or a beagle, or maybe a Labaclar Retriever.

All I want for Christmas is two CDs. I also want a phone and a stuffed animal. On more thing, and that thing is a sleeping bag.

Well, I hope you get the stuff on my list because I have been trying to be good.

Dear Santa,
I like Christmas more than all other holidays. Not because I get gifts, but because I get to give gifts. This year I didn't buy gifts, I made them. I love to see their reactions when they open the gift.

I think it's great the way you give gifts to everyone. It's really nice. Happy Holidays.

Sincerely,
Monica Esopi

Dear Santa,
I think I have been a good girl latley. I want a bike, 2 drum set, 2 scotter, new shoes, rollerblades, 2 computer, 2 soccerball, a basketball, maybe some money, 2 winning lottery ticket, candy, a spy kit, sunglasses, 2nd a DVD. No, I'm just kidding I don't really want those things. what I really want is peace and a Merry Cshristmas to people who can't afford presents for their children, and that you can make it a Merry Christmas to all the children who believe in you. Merry Christmas Santa.

From,
Dana Martin

P.S. I made the cookies myself! Hope you enjoy!

Dear santa,
Christmas is my favorite time of the year and most of the reason being is because you visit my house and because I get to spend time with my family in my home town of Gastonia, North Carolina. Bringing up the subject I'm spending Christmas night at my grandmother's house in North carolina. I just wanted you to know so that if I get some presents from you, you don't bring them to my new house in Dalals, Pennsylvania. I've also been a very good girl this year knowing that you were watching my every move. Most kids my age don't believe in you but, I know you're real. I also get my picture taken with you every year at the mall. And not to be greedy but I really want an air hockey or fooseball table this year.

Love,
Kelsey Haney
P.S. what kind of cookies do you want this year?

Dear Santa,
You bring a lot of joy and happiness to people when they open their presents on Christmas that you brought for them. Thank you for all the presents you have brought me in previous years, and I hope you like the milk and cookies I leave for you every year.

This year I would like an X Box. Would you also bring my parents, two sisters, and my

niece at least one gift each? My parents and two sisters are very nice to me and to other people. My niece is only one year old, and would really love a special gift from you. I wil also buy each one of my family members and extra gift.

Sincerely,
Scott Webb

I would also like to have some dollhouse furniture for the dollhouse my grandpa made for me. If you don't have time for everything ust one would be ok. Merry Xmas.
