

some cookies and milk by the Christmas tree.

Dear Santa,
Why do you wear a red suit? How do the reindeer fly? Will you bring the toys I asked for? How are the toys made before Christmas? Thank you for the toys from the past 8 years, my favorite toy was the basketball hoop. Do you want anything besides cookies from me?
Your pal
Christopher Ostrum

Dear Santa,
I think you are getting too chubby and I am worried that you will not fit down the chimney to deliver our presents. Please eat more fruits and vegetables. I really like to eat junk too, but my mom says its not healthy.

She only lets me eat a few cookies a day. I really don't know how you are going to eat less cookies because everyone leaves them out for you. Maybe you could ask for carrots instead. I have a very small chimney so please eat healthy this year. And Mrs. Santa could make this for you carrots, apples, oranges, and grapefruit that is all.
