Peking Chef
 Superb Chinese Cuisine
 Presented with Elegance and Warmth

Peking Chef
 Dallas Shopping Center

Peking Chef has been serving area gourmands for more than 20 years. Step through the doors and you will immediately have an idea why.

The dining room is a lavish expression of Oriental ambience. Dining table tops reflect the delicate beauty of Chinese art, and the table appointments - china, tea pots, tea cups, and condiment containers - are especially attractive.

But it is the flavor of the food that will excite you.

You will affirm this conclusion as soon as you taste the food. Appetizers, soups, and entrees deliver subtle flavors. That's why you patronize restaurants - for the unique taste of their foods, which provide memorable dining experiences.

From your first dining experience you will appreciate and applaud Peking Chef's pursuit of excellence!

Peking Chef... for those who take their Chinese Food seriously.
