## Postal workers to collect for BMT Food Pantry

On Saturday, May 10, Back Mountain postal workers will collect non-perishable food from their postal patrons. This annual event brings in hundreds of pounds of food to restock the shelves of the food pantry, which will move in June from the basement of the township building to the new addition of the administration

building at Trucksville United Methodist Church.

Patrons are asked to put their donations near their mail boxes for pickup at their usual delivery time. Food in cans and sealed plastic bottles and jars are preferred as they are more easily transported with minimal damage. The items should be placed in bags.

## The Fresh Air Fund seeks volunteers to host city kids

The Fresh Air Fund is seeking more host families in the Dallas area to open their homes to a New York City child for two weeks this summer.

The Fresh Air Fund's Friendly Town Program has brought more than 1.7 million disadvantaged young New Yorkers to hundreds of suburban and rural communities throughout 13 Northeastern states and Canada to explore country life and summer pastimes.

Fresh Air host families can choose the gender and age of their visitor. First time Fresh Air children are between the ages of six and 12. Many families find their hosting experiences so rewarding that over 65 percent all children are reinvited to stay with host families, year after year.

Call Karin Spak at 655-9342 or The Fresh Air Fund at (800)367-0003. You can also visit The Fund online at [www.freshair.org](http://www.freshair.org)
