When Harry's tests showed diabetes, we showed him how to live with it.

At Geisinger Health Plan, we do more than give our members access to excellent health care at an affordable cost through a growing network of providers. We also provide programs to help them manage chronic illnesses like diabetes, asthma and high blood pressure. Our specially trained nurses work with members and their doctors to provide guidance, information and support. We do all this because our health plan is run by practicing physicians who believe that managed care doesn't have to mean less care. And isn't that the kind of health plan you wish you had?
